BARDOT

BRASSERIE

Looking to add a little *je ne sais quoi* to your evening? Look no further than Michael Mina's BARDOT Brasserie, an intriguingly delicious place to sip a cocktail and indulge in French favorites with a modern twist. Cozy up to the bar and let one of our mixologists transport you to the streets of Paris with a classic French cocktail, like the Strawberry Blanc. Inspired by early film noir, BARDOT's mix of low lighting and dramatic shadows sets the mood for a little bit of playfulness. Sure you may be dining in Vegas, but you never know where a dinner or weekend brunch at BARDOT will take you.

julian serrano *Tapas*

Julian Serrano captures the convivial social energy of Spain's tapas bars with its inventive food and imaginative patio setting. As a restaurant focal point, a visually arresting seafood display offers fresh ceviches and tiraditos. Beyond the tapas bar, a formal dining room breaks with the patio décor, but continues the design scheme with an abstract play on the palatial room characteristics of Spanish architecture. Available for group functions, this room is ideal for guests to delve into the energy amidst this stunning enclave, all the while enjoying Chef Julian Serrano's signature creativity in every bite.
